Junior Miss Crowned

Sue Nightingale from Bourne High School was crowned Wareham's Junior Miss on Saturday night at the annual Pageant at Old Rochester Regional High School. She competed with contestants from Bourne High School, Old Rochester Regional and Wareham High School. Miss Nightingale becomes the seventh in a line of title holders. She was crowned by Nancy Jo Gibson of Wareham, a freshman at the University of Massachusetts, who is the retiring Miss Wareham Junior Miss.

Eileen Harkins of Old Rochester was named 4th runner-up; Debbie Oliva of Old Rochester, 3rd runner-up; Kathy McArdle of Wareham, 2nd runner-up; and Melanie Blair of Wareham, 1st runner-up.

Nancy Jo Gibson and David C. Sullivan entertained in the periods between the events onstage.

Normand Trudel, president of the Citizens' Scholarship Club, sponsor of the Pageant, welcomed everyone at the opening of the show. The club gives scholarships to the winning girls and scholastic standing rates high in the competitive judging.

CHRISTMAS IS AT HAND!

As spectacular as all of the holiday lighting, as joyful as the message of Christmas itself and as warm and friendly as a Yule log glowing in the fireplace, the Regional Symphonic Band Concert on Sunday afternoon at 3 P.M. at Old Rochester Regional High School ushers in the Christmas season.

The directors of the Tri-County Music Association, Inc. urge season ticket holders to be seated by 2:45 P.M. at which time single concert tickets will be sold on a first-come, first-served basis.

The entire audience is most cordially invited to the Wassail Party afterwards

Selectmen's Reply: Indian Cove

Mattapoisett Selectmen have replied to a letter received from Mr. Kenneth M. Jackson, Jr., civil engineer of the Permits Branch of the N. E. Division of the Army Corps of Engineers. In this letter, Mr. Jackson states that the application of the Indian Cove Trust for a permit to dredge in Aucoot Cove and to construct a timber pier, floats, ramp and wharf had been carefully reviewed by the Corps who had checked with other interested Federal and State agencies in the areas of pollution, aesthetics and ecology. The letter states, "From a technical viewpoint, there is no reason why we cannot issue a permit based on the normal procedures made use of in these matters". The letter goes on to state the concern of the engineers in the many letters of protest received in opposition to the project. Mr. Jackson requested a firm statement of the stand of the Mattapoisett Board of Selectmen.

The Mattapoisett Board of Selectmen's reply is as follows:

Dear Mr. Jackson:

This in reply to your letter of 21 November 1972 concerning the Indian Cove Trust request for a permit to construct and maintain a timber pier, floats, ramp, wharf and dredge in Aucoot Cove, Marion-Mattapoisett, Massachusetts.

We feel that our letters of 4 October 1972, 8 October 1971, and 3 August 1971 are substantially in agreement. In the 3 August letter we stated that "...this fine shellfishing area will be damaged." Our 8 October letter stated that we "hope that the dredging does not disturb the shellfish area." and in our letter of 4 October 1972 we stated that we "will stand by our original recommendations" contained in our letter of 3 August 1971. We are still convinced that the proposed plan will seriously damage this important shellfish area.

Since we last corresponded with the Corps

of Engineers and the Department of Natural Resources, we have developed a proposal which, if adopted, would probably minimize any damage to shellfish and contribute to the preservation of the sand dunes and bars.

The attached annotated photograph depicts our proposal to relocate the channel from a southeasterly direction to one running almost due east, just south of Haskell Island. As indicated, such construction would avoid any affect on the shellfish beds, and at the same time, preserve this excellent recreational swimming area and the sand bars.

It is, therefore, strongly urged that the Corps of Engineers review this proposal to determine whether or not it is feasible from an engineering standpoint.

standing, we, hereby, state that we are clearly opposed to the plan of Indian Cove Trust to dredge an outer channel running in a southeasterly direction because of the damage it will cause to the shellfish area.

As indicated above, it is requested that the possibility of changing the direction of the proposed outer channel from southeasterly to easterly be fully investigated by the Corps of Engineers and that the Mattapoisett Board of Selectmen be informed of the results prior to approval of the presently proposed plan.

Very truly yours,
Board of Selectmen

Mattapoisett Town News

Businesses in the Town of Mattapoisett operating under Town issued permits expiring on or before January 1, 1973, must apply to the Board of Selectmen's office for renewals on or before Monday, December 18, 1972.

Persons who plan to sponsor Annual Town Meeting articles for the acceptance of town road layouts should submit all the necessary information including drawings of street layout and profile, written description of street layout, and a certified petition to the Board of Selectmen not later than December 21, 1972.

The Town of Mattapoisett will receive its first check, about $37,000, this month under the new Federal Revenue Sharing Plan. The balance of Mattapoisett's total share, which amounts to $74,000. is due next month.

Although the Federal Government's regulations for the use of this money are very liberal, there are some controls which the towns must abide by. The money must be placed in a separate trust fund and can only be spent on projects or programs approved by the Town Meeting.

Town projects for the use of these funds are limited to priority expenditures including "ordinary and necessary maintenance and operating expenses for public safety, environmental protection, public transportation, health, recreation, libraries, social services for the poor or aged, and financial administration and ordinary and necessary capital expenditures authorized by law."

In the next few months plans will be formulated for the use of these funds, and recommendations will probably be made to the Annual Town Meeting in April.

The cheerful greetings of old friends and the joyful mingling of couples who had not attended the Tri-County Music Association's previous "Sno-Balls" with those who have enjoyed all three of these popular "opening nights" of the holiday season made the affair last Friday night at the New Bedford Country Club a stellar benefit for the organization's music scholarship fund.

BE A CHRISTMAS PASTA MASTA

Want to make unusual, shapely pasta ornaments to hang on your Christmas tree? It's easy.

First you dye the pasta (manicotti, macaroni, spaghetti or noodles). To do this, prepare a dye solution by pouring one quart of boiling water into a mixing bowl containing ¼ level teaspoon Rit Dye powder or ½ tablespoon Rit Dye liquid. (If coloring light blue, use one teaspoon powder dye.) Stir briefly. Add the pasta. Stir for about five minutes. Then remove with a small strainer or slotted spoon and drain on paper towels to remove excess moisture. After that, place on waxed paper or foil to dry thoroughly.

To make exciting Christmas tree ornaments, all you have to do is cut imaginative shapes from cardboard, cover them with felt, decorate with glued-on dyed pasta and tie them with heavy thread to the tree.

And that is only the first thing you can make for starts.

* Create unique pictures by covering stiff cardboard with a pasta design; use white glue to fasten each piece in place.

* Have a standout decorative box by simply gluing on an arrangement of dyed pasta.

* Homemade napkin rings are yours when you color manicotti and decorate with glued-on macaroni.

* Light your way with candle holders made from spray-painted frozen juice cans decorated with pasta. Fill each can with plaster of Paris, sink bottle top (such as from NuSoft fabric softener) into top of plaster and let set. Place candle into bottle top.

See how easy it is to be a pasta master!

than 200 beautifully gowned ladies and their escorts danced to the infectious rhythm and sound of the Gene Oliver Trio.

With snowballs very much in evidence among the greens and tall candlesticks that adorned the mantles and in the distinctive table centerpieces created by Anne Stowell of Mattapoisett, the club was festively decorated for the event.

Under the meticulous chairmanship of Charles W. Ganzel, Jr., secretary of the Association, everything went off to a T, including the sale of the tickets that was completed several days before Thanksgiving Day. Mrs. Kjeld Jensen served as ticket coordinator, assisted by Mrs. Robert R. Thackeray, Mrs. Leo L. Peduzzi, Mrs. A. Barton Cummins and Philip F. Danforth, Jr.

Mrs. John W. Mort and Mrs. William Sylvia supervised the refreshments including the serving of Danish pastry and coffee later in the evening.

Mrs. Harry M. Locke assisted Miss Stowell with the decorations, and the many details that are involved in producing a successful affair of this magnitude and brilliance were expertly handled

TASTE-TINGLING PUNCH

After a day of skiing or skating, a tart, tangy, spicy hot cranberry punch is a taste treat that is sure to be the hit of the party.

Home economists at the Corning Glass Works test kitchens suggest this non-alcoholic recipe for cranberry punch--ideal for holiday entertaining. It should be served from heat-resistant glass punch bowls that can be warmed in the oven--a Pyrex ware sculptured toddy bowl being appropriate. The ingredients are:

¾ cup brown sugar, firmly packed
1 cup water
¼ teaspoon salt
¼ teaspoon ground nutmeg
½ teaspoon ground allspice
½ teaspoon ground cinnamon
¾ teaspoon ground cloves
1 46-ounce can unsweetened pineapple juice
1½-quart bottle cranberry juice
4 cinnamon sticks
butter

In a five-quart saucepot, mix sugar, salt, spices (except cinnamon sticks) and cranberry juice. Bring to a boil. Add pineapple juice to the hot spiced syrup and heat again to boiling. Pour into a warmed Pyrex four-quart toddy bowl. Serve in Creative Glass sippers. Dot with butter; use cinnamon sticks for stirrers. The recipe makes 3¼ quarts or about 20 five-ounce servings.

The gals in the Corning test kitchens say that even though their punch recipe is non-alcoholic, "it tingles all the way down to your toes."

Skating & Hockey Classes

The Mattapoisett Youth Hockey Association, under the sponsorship of the Mattapoisett Sports and Athletic Committee, is offering a skating and hockey program to the youth of the town between the ages of 7 to 13.

The program will consist of a class for girls 7 to 13 years old to learn ice skating and the basics of figure skating.

Boys 7 to 8 years old will be taught how to skate. There will be two divisions in the hockey program: boys 9 and 10 in one group, and boys 11 to 13 in the second group.

Due to the limited size of the program, only the first 100 girls and 200 boys' applications will be accepted.

Every student in the third to eighth grade received applications and information during the past week, and for those parents who are interested in their children participating must have their applications returned by Friday, December 8th, at the latest.

"Skating Bulldogs"

"SKATING" BULLDOGS PREPARING FOR SEASON

Coaches Wayne Oliviera and Charles Briggs greeted 35 candidates for this year's skating Bulldogs hockey team at their initial practice session at the Tabor Academy Rink.

This year will find the Bulldogs competing in the strong South Shore League. This league is comprised of schools from the following towns: Holbrook, Middleboro, Hanover, Cohasset, Hull, Duxbury, and East Bridgewater.

The Hull team has won the league title for the last two years, qualifying for the State tournament, and will be the favorites again this year to hold on to their title.

Coaches Oliviera and Briggs have high hopes that their young team, with the experience they have gained the past two years playing an independent schedule, will make a good impression in this league, and will surprise some of the veteran teams they will be playing.

The Bulldogs will make the Moby Dick Arena in New Bedford their home ice for games. These home games will be played on Thursday nights at 7 P.M. Away games will be played on Saturday nights at the Winter Garden, Cohasset, and the Pembroke Arena, Pembroke.

Everyone should be proud of this team and make every effort to support them when they play, because they are the first group to represent a high school in hockey at the varsity level in Southeastern Massachusetts (Cape Cod excepted). This is an opportunity to watch one of the best high school hockey leagues in the state in action.

The "Skating Bulldogs" schedule:

FIRST HALF

Dec. 6, ORRH vs Hanover, 6:30 P.M. at Pembroke; Dec. 21, Holbrook vs ORRH, 7 P.M., Moby Dick; Dec. 28, Cohasset vs ORRHS, 7 P.M., Moby Dick; Dec. 30,

SENIOR CITIZENS MEETING

SENIOR CITIZENS

The Senior Citizens of Mattapoisett had a large turnout on Monday, November 27th, assuming that it was a business meeting. When they discovered it was not a business meeting, but a fun meeting, many left and many remained.

This error in stating a business meeting was my fault (Gloria Rounds), as I assumed that a continuance of the previous meeting would take place since there was not e-

Bake Sale for Library

FRIENDS OF LIBRARY MEETING

Friends of the Mattapoisett Library will have a meeting at the Library on Thursday, December 14th, at 10 A.M. Miss Dorothy Fox will present a book review, which will be followed by an informal discussion period. Coffee and pastries will be served in front of the fire. The public is invited.

A Christmas Bake Sale will be held by Friends of the Library on Saturday, December 16th, from 9 A.M. to 3 P.M., at the A & P. Donations of baked goods by non-members as well as members would be gratefully received. Anyone who cannot get his donation to the bake sale may call Carol Anderson at 4389 for transportation, before December 16th.

Y.W.C.A. Events

Using natural, artificial, fresh and some surprise materials, Mrs. Henry P. Carrier will demonstrate how holiday arrangements throughout the home help one to think of Christmas at the Wednesday's Weekly Luncheon December 13th. The public is cordially invited. This Christmas season program and demonstration at 12:15 P.M. in the Y dining room follows luncheon available at 11:45 A.M. without reservation.

Registrations are being received now for the fifteen hour classes in American Red Cross Life Saving Courses that begin January 4th. Early registration is advisable.

Applicants for junior course must be eleven years old or have completed 5th grade. Class is held on Thursday from 6 to 7 P.M.

Seniors must be 16 years old or have completed the 9th grade. This class is also on Thursdays from 7 to 8 P.M.

APOLLO 17 SPECIAL

High on a hill, halfway to heaven, if any home catches the eye of the astronauts, it may well be this one. Immaculate inside and out, this distinctive 8 room Colonial with nearly 3/4ths of an acre, has been conscientiously maintained. The beautifully foyered front entrance opens to the living room followed by the den or study, dining area and kitchen, formal dining room and 1/2 bath. 3 spacious bedrooms and a full bath upstairs. 4 car garage. $37,500.

IN THE FAIRHAVEN LUMBER BUILDING

day, January 2nd, at 7 P.M. and on Thursday, January 4th, at 9:30 and 10 A.M.

Aquacises are exercises in the water aimed at limbering and toning up muscles for both the swimmer and non-swimmer. The exercises are excellent introduction to the water for the woman who has always been afraid of the water, or one who does not want to get her hair wet. Positive results from the exercises are expected.

Other new programs in the pool are the Family Swim every Monday from 8 to 8:45 P.M., in addition to the Friday swim from 7 to 8 P.M.; synchronized swimming for children on Friday at 6:30 P.M..

In the Health Spa on Thursday mornings beginning next month at 9 A.M. the program starts with juice and chat, followed by slimnastics at 9:30 and aquacises at 10. Sauna follows at 10:30. Call Mrs. Rita Grenon at 999-6201 for more information.

A new policy of payment and registration for all classes will start in the January term. Only paid registrations will be put on class registration sheets. It will no longer be possible to register over the phone. However, all information will be given by phone, and a check by mail or payment in person will insure a place in a class. This has become necessary in fairness to members because many classes are popular and because space or equipment is limited.

Slimnastics has been in such demand that four classes instead of two are planned. Classes are Tuesdays and Thursdays. Classes are limited in size and an early paid registration is encouraged.

Ski Clubs are planning Ski Weekends. Adult Ski Club's first one is December 8-10 at Cannon Mountain. Teen Ski Weekends are planned for Purity Springs Resort, East Madison in King Pine Ski Area. New members are urged to join the Junior or Senior Ski Clubs. Call 999-6201 for further details.

More shut-ins are needed for the Friendly Visitor Program. Names will be gladly received at 999-6201. This program helps to dispel the loneliness of the shut-in and to maintain their contact with the outside community. Included in the program is a telephone reassurance service. Plans are underway for the winter training session for volunteer friendly visitors and telephone reassurance participants. Tentative training dates are January 9 and 11 from 1 to 3 P.M. Prospective volunteers are encouraged to inquire about details at 999-6201.
